Kids: All Ages

***Traveling Planetarium** (All Ages)

Sharon Bassage from WFL-BOCES will be taking us on a guided tour in her portable planetarium, which allows kids to see some of the spectacular sights of the solar system and beyond.

Different things kids will see include the following:

- The planets which can be selected and zoomed in to see a closer image.
- The moon and its phases
- Deep space objects such as galaxies and nebulas.
- Meteors, comets, or asteroids.
- Constellations of the night sky.

Because the planetarium is SO BIG, we have to offer this event at the Alex Eligh Community Center: 303 East Ave, Newark. There will be 4 different session, each 45 minutes long. Registration required and space is very limited. Please go to our online calendar to reserve kids' spots today! <https://newarklibrary.org/>.

Session #1: 9AM - 10 openings

Session #2: 10AM - 10 openings

Session #3: 11AM - 10 openings

Session #4: 12PM - 30 openings

Teens

Celestial Creations (Ages 12-18)

Teens will create a variety of interstellar crafts that are sure to be out-of-this-world.

Teen Healthy Cooking Class (Ages 12-18)

Teens will get the opportunity to create a yummy summer snack! Class is free and opening to teens ages 12-18. Please register for this event to ensure enough supplies.
